

POWER OF 3i LEARNING

INQUIRE-INSPIRE-IMPACT

Under the mentorship of Imperial College London, the programme has been designed keeping the 'i-value' principle in mind. The entire curriculum has been formulated to ensure multi-pronged inputs to students, through the interactive process of 'inquire-inspire-impact'.

INDUSTRY CONNECT

Experiential Learning and Immersion Opportunities provide Real-World Benefits.

Powered by Hero Group's network of industry connects, BMU encourages Industry Connect through its Experiential Learning curriculum that ensures mandatory & graded internships with the Industry and interaction with experts, as part of the Practice School programme. Students implement their learnings in a real-world setting and in doing so, pick up the soft skills required in their careers from 1st Year itself.

INTERNATIONAL EXPOSURE

BMU's academic mentor is Imperial College London. The learning experience at BMU has been further augmented through collaborations with the Singapore Management University, Carleton University, Kent State University and University of California, Berkeley.

BE IN GOOD COMPANY

BMU has built strong relationships with some of the best companies in India and overseas. Our students get a chance to work with them as part of the mandatory Practice School and apply for placements.

“ The business world is and has always been a major part of any society and this course of BBA in association with KPMG at BMU equips me with the right knowledge and skills in business and management; principles which are perfect for a career in the corporate world. ”

Vedant Mehra
BBA in association with KPMG
(2016-2019)

“ BMU is a platform to reinvent yourself by exploring the unexplored and witnessing the unwitnessed, in the journey of transformation; and thereby broadening the perspective towards life in the multifarious culture of BMU. ”

Agrima Soni
B.Tech in Computer Science
(2015-2019)

ABOUT BMU

BML Munjal University (BMU), founded by the Hero Group and mentored by Imperial College London, seeks to transform higher education in India by creating a world-class and innovative teaching, learning and research environment. BMU is approved by the University Grants Commission (UGC).

Mentored by the Imperial College London, the 109-year-old University that is ranked 8th in the QS World University Rankings (2019), BMU's vision is to enable students to become ethical leaders and entrepreneurs.

The curriculum at BMU is focused on experiential learning with up to 45% of the contact hours (the highest in the world) spent on hands-on learning through projects, practicals, workshops, labs, industry visits and Practice School.

BMU has a strong focus on research and is facilitating advanced R&D through on-campus, state-of-the-art research centres and labs, and partnerships with leading R&D institutes such as Fraunhofer Gesellschaft, Germany, CEERI, Pilani, CSIR-CSIO, Chandigarh, CSIR-CBRI, Roorkee and NPL, Delhi.

BMU has been officially approved by the Department of Science and Industrial Research (DSIR) Govt of India for BMU's potential for conducting research.

The University believes in fostering the growth of industry-academic linkages to bridge the gap between the University education and the Industry.

ADMISSIONS PROCESS

At BMU, we believe in a holistic assessment of every application and don't evaluate students based on cut-offs.

Apart from the qualifying exam results, BMU also looks at every student's academic and non-academic journey up to application. BMU focuses on creating a class full of students who are passionate, sincere and eager to learn. Through an interview of every single applicant, the Admissions Panel is able to select a class of students who will go on to become leaders and find solutions for the society.

To apply to BMU, log on to our website, www.bmu.edu.in.

*Subject to government/BCI approvals
