About Us

Chhatrapati Shivaji Maharaj University is established with a vision and Mission to impart quality education in all spheres of high learning in India. The university has evolved to create such graduates who can lead ahead in all walks of life, to mark incredible contribution in society and imbibing with moral values in their lives.

The university aims at providing holistic development of the students where they can hone their skills at further perfections.It is the best place where the best courses are under their reach.

The Chhatrapati Shivaji Maharaj University is situated in Navi Mumbai ,the educational hub of Maharashtra in sprawling & lush green campus. State- of- the-art Infrastructure of university with independent academic & administration block, hostels, laboratories, playground etc. provides scholarly & soothing ambience for learning & growth of the students.

It creates a cooperative and healthy environment with a professional attitude to bring out the best in the student to face the cut-throat global competition.

Chhatrapati Shivaji Maharaj University brings together a community of wide ranging interests, competencies and aspirations from Engineering, Architecture, Design, Management, Law, Humanities, Commerce, Applied Science, Life Science and Art etc.
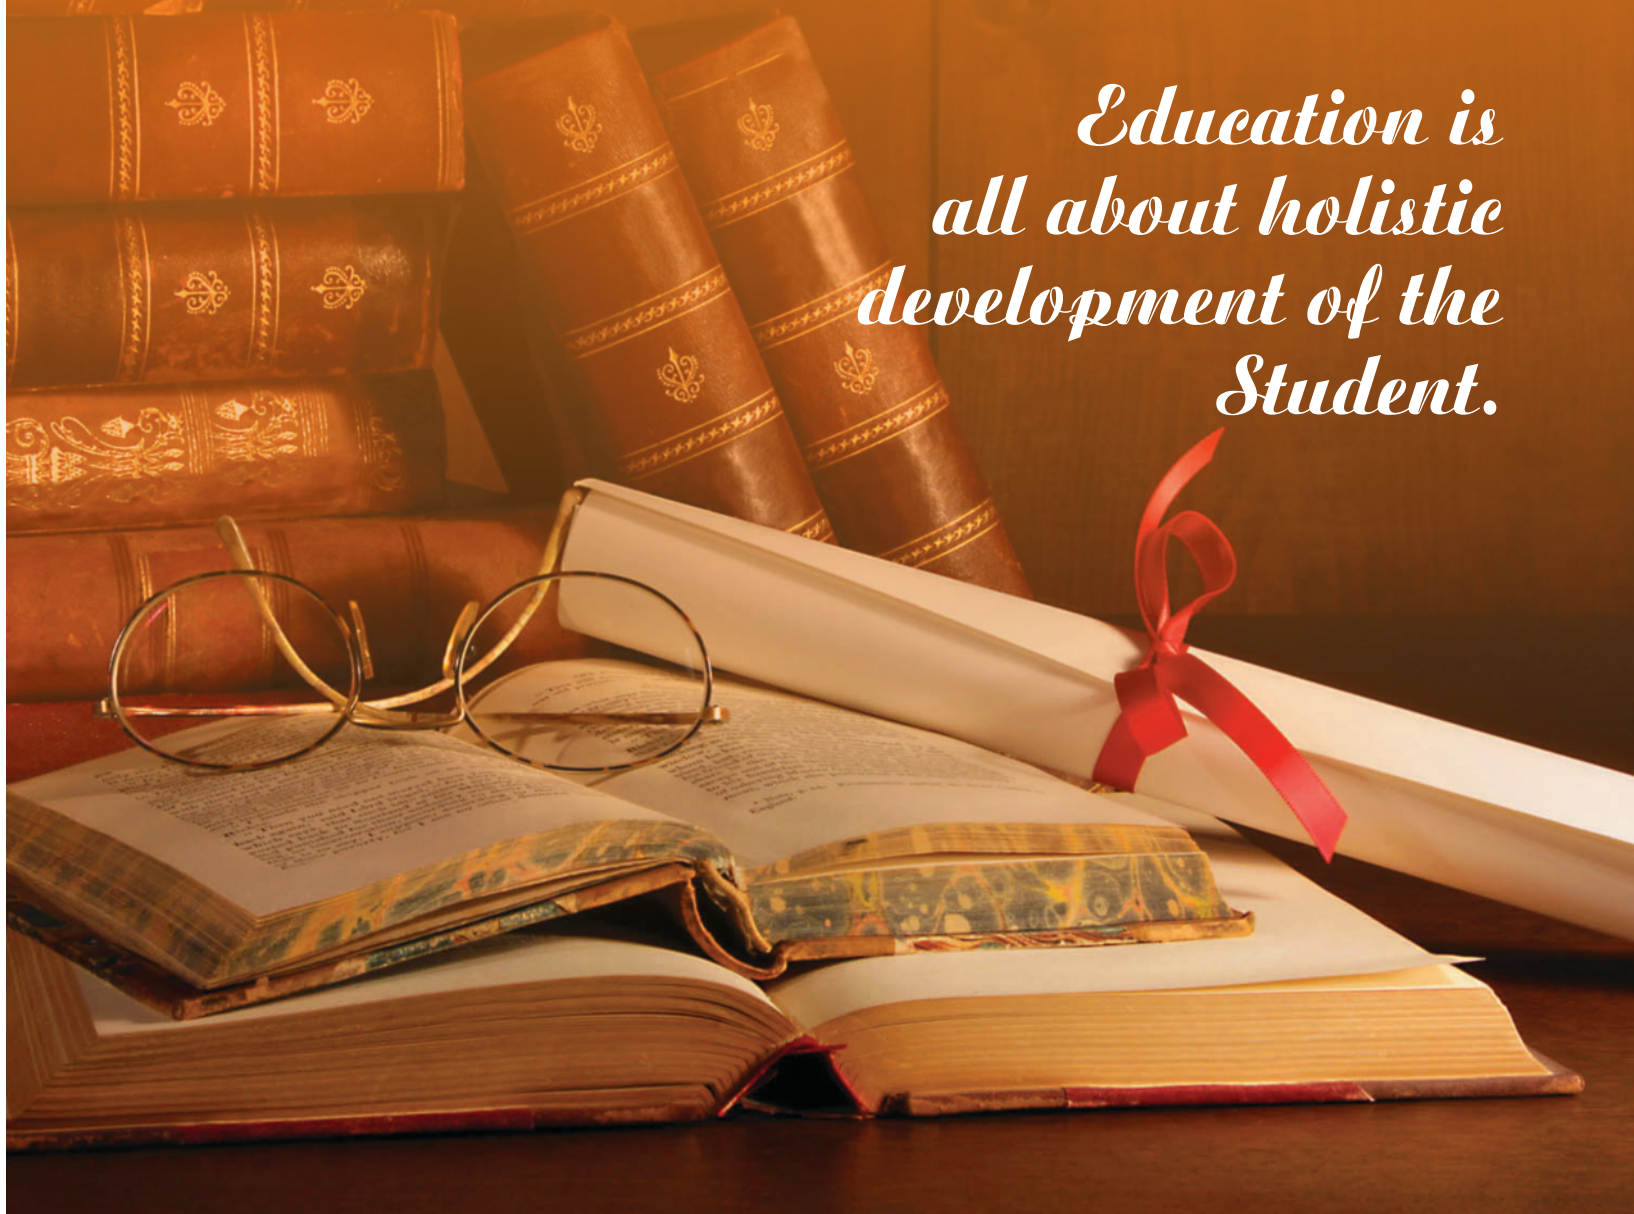

Message

The educational scenario in the recent past has witnessed manifold changes in the academic inclinations of the young minds. The ever-growing globalization and resurgence of open economy have led to an enormous demand for qualified youth bearing academic excellence. Education is all about drawing out inner and hidden talents of students. We strive for academic and professional excellence. We are enabling the students to grow up to be analytical, investigative. inquisitive, introspective and task-oriented giving and experiential learning that will enable them to enrich others lives and enhance their academic achievement and a wealth of opportunity offered to pursue their career goals. As we accompany the students through their college life preparing them for the known and unknown experiences and challenges of the third millennium, we rekindle their enthusiasm and help them to be good human being determined to preserve the legacy of this beautiful world. We welcome those who wish to be the unfurling companions on this odyssey of intellect and emotion of this family, each member exhibiting a sense of pride and an awareness of the obligation that comes from being a part of it.

Dr. Keshav Badaya
President

Education is all about holistic development of the Student.

Vision & Mission

An internationally recognized University for excellence in creating and disseminating knowledge through value based quality education in Technology, Management, and Liberal Education Leading to betterment of mankind. Being a new University of the city we aspire that every pupil of institute should touch that pinnacle of his respective stream. We envisage that every seed sown by us should flourish into a giant tree. Beyond this we implore divine for his grace that we may accomplish our desired destination.

The mission of the University is to Create and sustain a community of lifelong learners in an environment that emphasize literacy. critical thinking. and humanistic and scientific inquiry.

The University shall provide a dynamic, challenging and ethical environment for pursuing high quality teaching, research, learning and service across all areas of University, where students, faculty and other key constituents can interact, collaborate and partner with the global community for creation and dissemination of knowledge and transform lives lives of people through innovation & excellence in higher educatiion .

People need to be education so that they can make intelligent moral choices.

LABORATORIES

The University infrastructure comprises of well managed laboratories with latest technologies for various streams such as Bio-technology, Zoology, Botany, Psychology, Computers, Chemistry, Physics, Environmental Science, Biochemistry, Pharmaceutical, Geography, Geology Etc.

CAFETERIA

In Campus caféteria dishes out combo meals and snacks catering to varied tastes. The quality of the material served is strictly monitored.

HOSTEL

The university has separate boys and girls hostel with all facilities. Its is like a home away from home. It ensures comfort of the students in healthy, friendly & Hygienic atmosphere.

Success comes when preparation meets opportunity.

LIBRARY

The Library is rich, well stacked and fully computerized. It subscribes to the best of National and International Magazines and Journals, besides collection of Encyclopedias, Dictionaries and reference books.

The Secret in education is in respecting the student.

GAMES & SPORTS

Healthy Mind resides in a healthy body, with this aim and to develop team spirit and sportsmanship there are provisions for various indoor and outdoor games viz; Table Tennis, Football, Billiards, Chess, Shooting, Archery, Volley Ball, Basket Ball, Cricket etc. We have Skilled Coaches to train students to participate in various Universities, State, National & International competitions.

SEMINAR HALL

The well furnished and technically equipped seminar hall is there for students to make their presentations creative and effective. The seminar hall is often used for organizanising group discussions and seminars.

AUDITORIUM

The University has a large, spacious multistoried auditorium to conduct various cultural programs, competitions, auditions and other activities. It comprises of all modern equipments such as Projector, Speaking aids, hi-tech flashing lights and an elevated podium. It facilitates in organizing of above mentioned activities.

Take risks in you life. if you win,you can lead if you loose, you can guide

COMPUTER LAB

The University has high-tech computer graphics studios with more than 360 advance computers with LAN and internet services through wireless connectivity, and LCD projection system, hardware and software, digital cameras, printers, scanners, plotters, photocopying machine and video cameras etc.

CLASS ROOMS

All classrooms at CSMU are Spacious, Smart and equipped with high quality projectors. They provide the most conducive atmosphere for providing innovative teaching-learning methodology. Classrooms at CSMU have been designed to bring together analysis with action and are embellished with audio-visual teaching aids for Lectures and Presentations etc.

TRAINING & PLACEMENT CELL

HELPING SHAPE YOUR CAREER

Your time at CSMU is a chance to develop your skills and abilities, grow in confidence and learn more about your self. Employers want more than a degree holder - they want a graduate with a range to skills and attributes, who can thrive in the working world. Employers from all sectors regard CSMU as an excellent training ground for high-flyers and our graduates will be valued for their intellectual ability and for the high-level attributes they're able to develop while studying with us.

STUDENT EXCHANGE PROGRAMS

It is rightly said that "life begins at the end of your comfort zone"! You might think that you have a lot to explore and experience in life, in your own country, hometown or school. But unless you move out of your comfort zone how will you understand good things about living in another country? Student exchange program is one of the best ways to experience international education without spending a lot of time away from your native place.

Going abroad as an exchange student will not only give you a big leap in your future goals but an exchange program will also be a life-enriching experience. You will improve your language skills, gain independence and develop a global perspective on various worldly matters.

. An exchange program is different from the usual study abroad programs. our university will provide assistance to those students who are willing to go abroad for studies.

FOREIGN COLLOBRATION

It is a well-accepted fact that providing the right knowledge and skills to the youth can ensure the overall national progress and economic growth. There is always a reason behind every new venture and when it comes to collaborations between the foreign universities and Indian institutions, there seems to be a lot of opportunities to venture in the Indian education market. Foreign Universities can tie up with CSMU to provide services like curriculum, experienced faculty for teaching and affiliations. Foreign Universities deliver their teaching, often on an individual basis, to students who are not physically present in a traditional educational setting such as a classroom, using technologies/ medium like the Internet.

At CSMU the students can get chance to collaborate with the foreign universities owing to international standards infrastructure, flexible admission policy, no red-tapism and affordable fee structure. University has become a favorite educational destination for students of many continents of the world.

The University has separate counter for over-seas students run by experts and counselors in this field who guide the students to seek admissions. The students from various middle-east countries, Pakistan, Afghanistan, Iran, Iraq and from different African nations can make their way towards best education.

COMMUNICATION SKILL PROGRAMS

Communication Skills Program provides the students with the practical tools and techniques required to enhance proficiency in business communication and develop a positive, polished, and professional image.The way you communicate can reflect your capabilities and influence the way others perceive you. At CSMU the students can get chance to learn more about communication skills as we propose to hire skilled soft skill trainers to teach our students so that they can cope up with the modern world.

PERSONALTY DEVELOPMENT SKILL

Your personality is the first thing that is noticed in a job interview, in any company, any field. Having a good personality is essential to get ahead in today's world.At CSMU the students will get Chance to enhance their personalities by proper training.Personality Development programme will polish your presentation and communication skills and prepare you to have a successful career in any field of your choice.

INDUSTRIAL COLLABORATIVE PROGRAMMES

The University believes that the growth of the nation is only possible when both industry and academia work hand-in-hand. To make this possiable, the University has been offering its students industry specific courses & certification while pursuing their degree course at the University.

ADMISSION PROCEDURE (Rules & Regulations)

ADMISSION PROCEDURE FOR B.TECH

- For admission in four years of Engineering courses, candidates have to appear in the state level or in national level entrance exam.
- Without appearing in any of the said entrance exams, candidates will not be considered for the admission procedure.
- Candidates those going to fill the application form of any entrance exam, must check the eligibility criteria given below:
- Candidates should pass the 10+2 or its equivalent examination from any recognized board.
- Candidates should pass the qualifying examination with Physics, Chemistry, Mathematics and one extra subject.
- Candidates should secure the minimum of 50% (45% for reserved category candidates).
- Year 2019 board exam appearing candidates can also apply.

SELECTION PROCEDURE

- The information about the counseling procedure, counseling schedule and all relevant information will be notified on the website. The admission procedure will take place after the declaration of result according to the cut-off marks and marks secured by the candidates.
- Candidates have to register for the counseling to participate in the counseling. In counseling, candidates have to fill the college and course preferences. After that the seats will be allotted to the candidates as per their filled choices and their ranks.
- Candidates also have to submit the counseling fee to the concerned counseling authority account. After getting the provisional seat allotment letter candidates can report the allotted college for final admission.
- Candidates have to produce the documents given below in original along with one set of photocopy on the day of counseling.
- Mark sheet of class 10th and class 12th
- Passing out certificate of class 10th and class 12th
- Character certificate
- Domicile certificate
- Category certificate
- Passport size photographs
- Admit card of entrance exam
- Score card of entrance exam

ADMISSION PROCEDURE FOR MBA

- There are some well-known national level entrance exams for pursuing MBA are CAT 2018, XAT 2019, MAT 2018, SNAP, CMAT 2019, ATMA etc.
- Candidates can also appear in state level and university level entrance exams for accessing the MBA programmes.
- MAH, CET 2019 is the state level entrance exam conducted by Directorate of Technical Education, Maharashtra and BVP CET is the university level entrance exam conducted by CSMU University.

SELECTION PROCEDURE

- The candidates will be selected for the counseling and other rounds on the basis of the rank secured by them in the entrance test. The candidates will be invited for the counseling as per the order of the rank in the merit list.
- Candidates have to fill the choices of colleges and course specialization in the order of their preferences. The counseling fee will also be paid at the time of registration for counseling.
- Candidates can fill the choices as much as they can for increasing the chances of allotting the seats. The seats will be allotted on the basis of availability of seats, filled choices and GD and PI rounds marks.
- Candidates can get seat allotment letter to report the allotted institution for admission.

- Admission to different University level courses are done either on the basis of the qualifying exam or the marks scored in the entrance exam. Only those students will be considered for CSMU Admission 2018 who will fulfill minimum eligibility criteria and score cut off marks in the entrance test. Admissions are conducted for under graduate, post graduate and research programme.
- CAMU Admission 2018 is done either through entrance exam or on the basis of qualifying exam. The university has decided that admission in UG programmes like B.A (Hons.), B.Com Hons.), B.Sc. in various Streams, B.Sc. (Hons.) BBA, BCA, BFA, BMM, Hotel Management and PG programmes like M.Sc. courses will be on the basis of qualifying exam and merit list. For other programs like BBA-LLB and Ph.D. courses admission will be done on the basis of marks scored in the entrance test conducted separately for each programme.

FOR UNDER GRADUATE COURSES

- Candidates who wish to apply for Undergraduate programmes are required to submit the online Pre-admission form once it gets released. Thereafter they have to submit application form along with printed copy of pre-admission form through offline method.

POST GRADUATE COURSES

- Applicants who wish to get admission in M.Sc. courses have to fill in the application form once it will be available on the University website. The admission will be made by Post Graduate Department of the University. Candidates must fill the application form properly and submit it to be considered for the merit list preparation. The application form will be made available online and students must fill it online only. They can then take a print out of filled form and get it verified along with other relevant documents like B.Sc. mark sheets, etc. by the Post Graduate section of the University.

FOR PH.D. & M.PHIL COURSES

- All the eligible candidates who want to apply for the exam must fill in the application form for PET 2018. Applicants will be required to fill the online application form once it is available.
- Candidate must have passed the last qualifying examination, i.e., Higher Secondary School Certificate Examination (HSSCE) from Maharashtra State Board of Secondary and Higher Secondary Education.
- (ii) For candidates seeking admission in BA, B.Sc. & B.Com must have scored at least 45% marks in HSSCE from relevant subjects.
- (iii) Applicants applying for Masters of Mass Media can fill the application form. After which merit list will be released based on the qualifying examination. Final admission will be done after it.
- For admission in UG courses and M.Sc. courses merit list will be prepared on the basis of last qualifying exam. Candidate who will fill the application form before the last date is considered for the merit list and admission to only those candidates is given whose name appears in it.

ANTI - RAGGING CELL

According to the direction of the supreme court of India, University has established an anti- ragging cell to avert the incidents of ragging. It comprises both male and female staff which keeps tab on the activities. of students in corridors and University premises. The Violators are dealt with iron hands. owing of its effective functioning fortunately the cell has not received even a single complain of ragging in couple of years.

Progress is impossible without change, those who cannot change their minds cannot change anything.
