Managing Director's Message

"Providing a qualitative emphasis on every facet of learning, we make stay memorable and enjoyable."

We at MVN University strive to make a meaningful difference in our students' life by inculcating creativity, critical thinking, Indian values and a vision to excel. We continuously challenge the students to lead and bring laurels for the university and the society at large.

With a flexible approach towards education and providing a qualitative emphasis on every facet of learning, we make your stay memorable and enjoyable in the university premises.

Owing to its quality infrastructure, talented faculty and efficient management, MVN University has a multi-disciplinary approach and a plethora of courses not only to teach you the lessons of success, but also prepare you for the lessons of life. With every passing year, we continuously strive to raise our standards higher. This Institute has been a testimony to the multifarious trends in professional education.
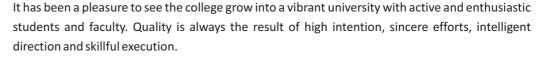

Today with a sense of immense joy, I welcome you all to the MVN family, hoping that you will have a fruitful and learning experience with us.

Mrs. Kanta Sharma
Managing Director,
MVN Society

President's Message

"The person who wins is the one who thinks he can."

It has been a pleasure to see the college grow into a vibrant university with active and enthusiastic students and faculty. Quality is always the result of high intention, sincere efforts, intelligent direction and skillful execution.

We at MVN University are committed to impart holistic education to our students, molding a genre of well integrated personalities equipped with the spark of modernization and a will to conquer.

We believe that all students should be challenged to achieve the highest standards, which they are capable of. This can only be achieved through a constant focus within the campus on the highest standards of teaching and ensuring that the campus is safe, happy and caring one. We believe that children flourish when they feel confident, secure and respected.

Students must believe in themselves and in their high ideals. They need to make big plans, aim even higher and work tirelessly to always remain at the pinnacle of success. We have full faith in their inherent potential to revolutionaries the meaning of success and excellence.

Academics

School of Engineering & Technology

School of Engineering & Technology (SET) at MVN University has carved a distinguished name for itself in quality education. The school is having three departments namely, Computer Science & Engineering Department, Electronics & Communication Engineering Department and Mechanical Engineering Department. The school has produced some of the most skilfully talented engineers over the years who are working in reputed organizations world wide. B.Tech. (CSE) has specialization in Big Data analytics , B.Tech (ECE) has specialization in IOT and B.Tech (ME) has specialization in Automobiles.

School of Business Management & Commerce

This School offers special programs in BBA, B.Com and MBA. BBA Program has four specializations like BBA (Warehouse and supply chain Management) in collaboration with OM Logistics, New Delhi. The other three BBAs are BBA in Aviation & Airport Management, BBA in Hospital & Health Care Management, BBA in Fire & Industrial Safety. MBA (Business Analytics) is the new program launched from this year. This program aims in imparting Business Analytics skills with the help of advanced software tools. The regular MBA has specialization in Marketing, HR & Banking and Insurance.

School of Arts, Science & Humanities

The School of Arts, Sciences & Humanities is devoted to foster the fundamental principles and understanding of Humanities & Science. The curriculum of the program emphasizes the acquisition of conceptual and laboratory skills in Physics, Chemistry, Mathematics and Humanities. School extends its academic activities beyond the classroom in the form of workshops, seminars and symposia etc.

School of Pharmaceutical Sciences

School of Pharmaceutical Sciences (SPS) started its first batch of B. Pharm course in the year 2015 and has been successfully marching ahead since inception. SPS has introduced D. Pharm from academic session 2016-17. SPS in pursuit of its vision provides outstanding educational experience in pharmacy and practice in a supportive environment of Academics , research and Internships. The students of SPS are sure to have a rich learning experience, good research environment, and much more.

School of Allied Health Sciences

Paramedical courses covered under School of Allied health sciences (SAHS) are aimed at producing skilled manpower in different areas of bio medical sciences for better health care delivery. To begin with, we have already started four and half years Bachelor in Physiotherapy (BPT) and three years under graduate course B.Sc. in Medical Laboratory Technology and from this year we have started two more under graduate courses i.e. B.Sc. in Medical Microbiology and B.Sc. in Pharmaceutical Chemistry & two PG courses of Masters that is MPT in Neurology and MPT in Musculoskeletal .

School of Agriculture

Agricultural Education is the teaching of agriculture, natural resources and land management through hands on experience and guidance to prepare students for the entry level and advanced agricultural jobs. Demand for agricultural graduates is supposed to be high as compared to the demand for all other occupations in the coming years. MVNU offers 4 years B.Sc. -Hons. (Agriculture) course keeping in view of the agricultural demand in our country.

School of Law

The School of Law was established at MVN University in 2015 to impart quality legal education with a vision to produce world class professionals. The courses offered under SOL are recognized by Bar council of India (BCI). Highly qualified senior faculty, well designed Moot Court in the school for court room exercises, strong linkages with industry law firms, seminars, expert lectures by practitioners & judges & visits to legal institutions help the students to gain judicial knowledge from all the corners. SOL runs three years course like LL.B., one year LL.M. & five year integrated courses like BBA. LL.B. and B.A.LLB.
