PACKAGE RS. 22 LAC

" The difference between Taxila and other B-schools is that Taxila has best proportion of practical & theoretical exposers, they teach you how to survive in different environments. The timing of classes, syllabus and the examination structure is itself a challenge for the students but once a student has gone through this, he can survive anywhere in the world. He becomes an ultimate solution provider for his organization"

TAXILA BUSINESS SCHOOL

PLACEMENT REPORT 2019

Recruiters Say

As per Christian theology, God created the world in six days. The first day he created insects, second day animals and so on he progressed, refining his creations till on the sixth day he created man. But even with man he wasn't satisfied. So, He pulled a bone from man's rib and created a woman. This means that woman is a more refined version of man. In fact till a man doesn't realize his own feminine polarity, he is not complete. Most of the management institutes overlook this reality and try to imbue in their students, manly and aggressive traits alone. In the real world they enter as gladiators, who are arrogant, poor at team-work and so fond of war that they soon emerge as one of its casualties. Their careers never gather the momentum which they could have, had the feminine polarity also been properly developed in them.

I have noted that Taxila Business School is one of the few institutes that somehow allow this feminine polarity to blossom in their students. Exceptions among the students aside, their will to serve, share and play as a team is remarkable."

Pavan Choudary
Managing Director, Vygon India Pvt. Ltd.

TAXILA BUSINESS SCHOOL

START-UPS

Entrepreneurship

Taxila has vision of building an exclusive platform of Entrepreneurship & Business incubation centre to drive initiatives in startup world through incubation, investment and training. The basic idea is to take up several initiatives to strengthen India's entrepreneurial ecosystem by providing mentoring, supporting, comprising of faculty, alumni and students and service providers from the industry to help aspiring students & their innovative ideas.

This includes interactive sessions in form of various industry connect programs as of seminars, workshops, conferences etc. engaging investors, technocrats, fund managers to support knowledge & expertise sharing inline with industry updates.

Startup Den & Business incubation centre is to be equipped with state of art technology provisions as;

- Dedicated space/cubical
- Co-sharing space
- Thinking zone
- Idea generation matrix

The major achievements during 2017, on which Taxila Business School can boast on is:

1. Chief Minister Rajasthan Vasundhara Raje conferred the biggest state award "Rajasthan Udyog Ratan award" along with a cash prize of Rs 100,000.0 to Taxila student startup. This award was conferred to only 4 industrialists in whole state.
2. Taxila Business School was declared as the Best Business School in North India for entrepreneurship by Business World during Nov 2017.
3. Desimochi.com a startup by Tania Sharma of Taxila PGDM Class 2017 was funded by Taxila Business School for an amount of Rs 10.0 Lac.
4. During 2017 approximately 52 students of batch 22 (2017-19) started their startups in different fields, funded partially by Taxila Business School.
